# OPPD Vision and Mission

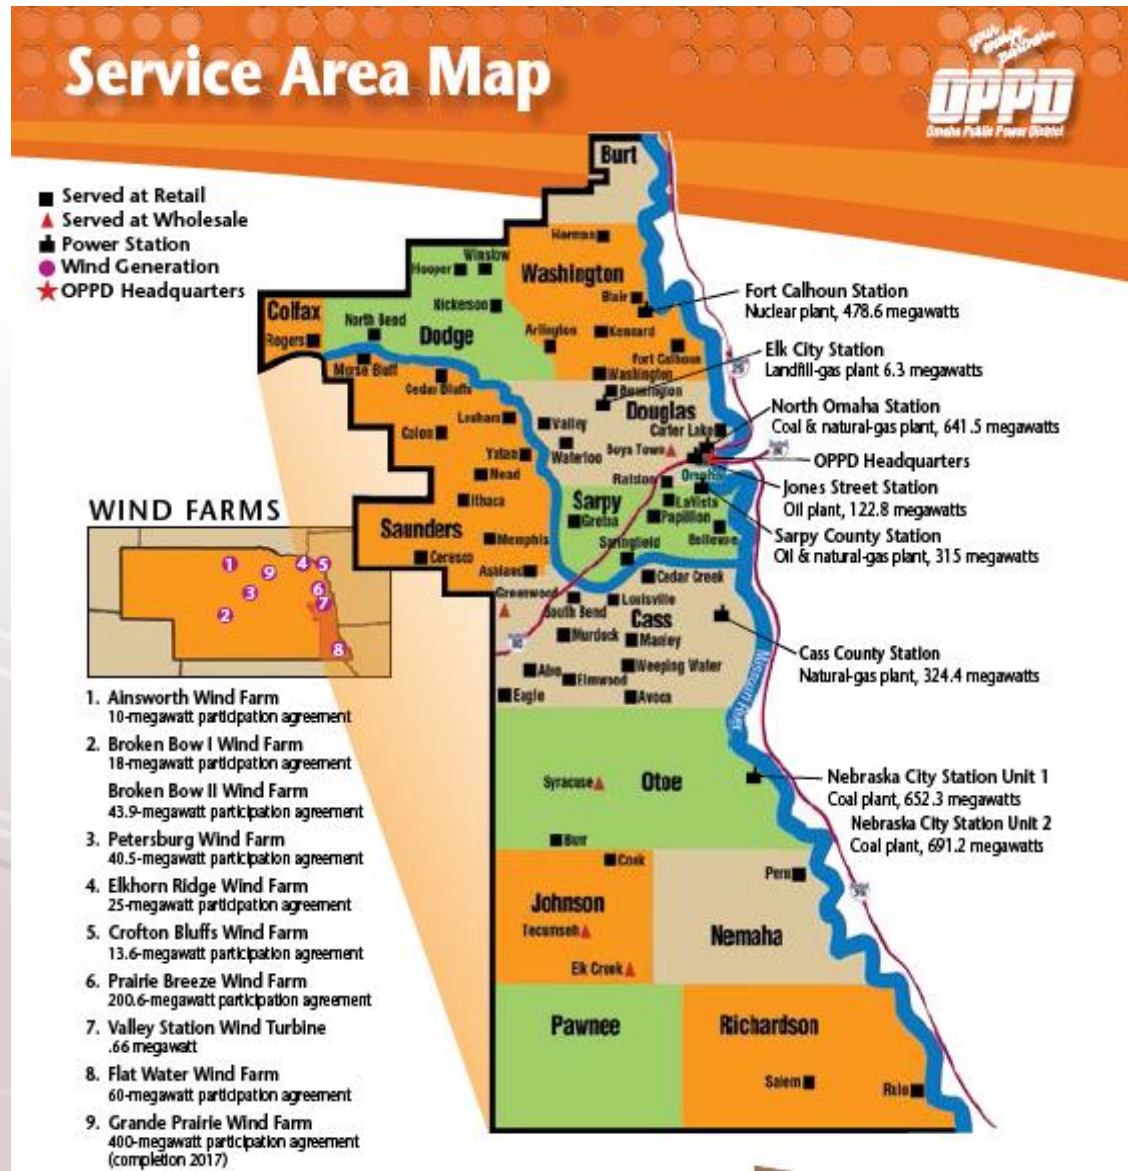

## Vision

- *Leading the way we power the future*

## Mission

- *Provide affordable, reliable and environmentally sensitive energy services to our customers*

# OPPD's Service Territory

What do we really do?  
We TRANSLATE!

# What do we translate?

- Engineering
  - Four major branches – Mechanical, Chemical, Electrical, Civil
  - Twenty-three minor branches – Everything from Acoustical Engineering to Vehicle Engineering
- Biology
  - Forty-six branches – Aerobiology to Zoology
- Law
  - Criminal Law, Environmental Law, Civil Law, Contract Law, Tort Law
- Chemistry, Physics, Meteorology
- Business, Finance, Human Resource Management, Project Planning

# How we do it – We know our audiences!

# And we use the right tools for the right translation!

# What types of tools are available?

Find one that fits your audience!

## Environmental Notebook

December 2016

### Table of Contents
